Re: ADOT ECS File No. JPA 02-78
Project No. TEA 080-A (006) P
US 80 Bisbee Sidewalk
Notice of Cancellation

Dear Ms. Tellez:

Please consider this writing as the Notice of Cancellation of the above-referenced Intergovernmental Agreement, submitted pursuant to paragraph III.1 of this agreement. After due consideration of this project and the most recent projected costs, the Bisbee City Council has determined that this project no longer appears to be a reasonable expenditure for the funds required. Please cease all further efforts on this project on our behalf.

Please extend our appreciation to the ADOT staff members who have been very cooperative and responsive on this project. We trust that this cancellation will not jeopardize the City's ability to continue to work with ADOT on other projects in the future. We look forward to the opportunity to complete the Traffic Circle and Main Street Sidewalk projects, as well as any others that may arise in the near future.

Thank you for your assistance in this matter. Please do not hesitate to contact me if you need anything more to terminate the above-referenced agreement.

Sincerely,

Ronald Oertle
Mayor
